Part I: The Power of God's Presence

INTRODUCTION

THE BIG IDEA: God hasn't forgotten you or abandoned you in your disappointment. In Him, all things work together for our good.

This week begins an exciting new journey for the Mercy Church family. For the first time, since our launch, we are going to study, in depth, God's faithfulness in the Old Testament. Over the next 6 weeks we are going to look at one of the greatest stories ever told. Outside of the life of Jesus, the life of Joseph is one of the most incredible stories every written. Not just among bible stories, but among ALL stories. Period. In this series we are going to read a story filled with wealth and poverty, rural Palestine meets urban Egypt, famine and abundance, betrayal and faithfulness, prison dungeons and the kings court, multiple sex scandals, conspiracies, suffering, death and legacies. It is an incredible story and recognized as one of the greatest stories of antiquity.

As we begin, in Genesis 37, we see Joseph in the midst of a family debacle with his brothers. Jacob, Joseph's father, favored Joseph over his other brothers. The brothers despised Joseph for the favor he received. Joseph's situation grew worse when he gave a bad report of his brothers (37:2) and deepened their hatred for him. Jacob even gave Joseph a colorful coat to show his approval and love. Over the next few verses, we learn that Joseph has a dream where his "sheaf" (stalk of grain) grew and arose above his brothers'. This dream continued to cause anger among his brothers. Some twenty verses later, the brothers are about to kill Joseph because of their jealousy and anger (37:19-20). Eventually,

FOR OUR GOOD

The Life of Joseph

Joseph's brothers threw him into a pit instead of killing him. By this point, Joseph was distant from his family and seemingly alone in his journey.

Even in the midst of such disdain, we see that God was with Joseph every step of the way. As we read into Genesis 39, we learn that God was with Joseph in all things. The truth that we must take away is that God is always working in our lives for his glory and for our Good. Joseph trusted God to take care of him and bring him through the difficulties he faced. Instead of blaming God or his brothers, Joseph confidently lived as if the Lord was with him. As we work through Joseph's story, we will see that God worked behind the scenes to accomplish his purposes in Joseph's life.
