## STUDENTS

### WEEKLY ONE

#### OVERVIEW

**We partner with families to raise up a generation of disciples who love God, love each other, and love our world.** Therefore, we want to equip you as parents to study God's Word with your middle and high school students. We believe that when families study the Bible together, it changes everything. This is why we created **Weekly One**.

#### GOAL

**The goal of Weekly One is to have one time per week where you are sitting down as a family, studying the Bible together, and praying together.** Over time, this will create a culture of depending on God as a family, and it will build in rhythms that will be life-altering for your kids.

#### STRUCTURE (26 Minutes, Once Per Week)

- **1 Min – Pray** (ex. "God, focus our hearts on you now. We want to hear from you and learn from you. Take away distractions and let us look more like you in this time, Jesus.")
- **5 Min – Read the passage together out loud**
- **5 Min – Observe** (Bird's eye view – what does this passage say?)
- **5 Min – Interpret** (What does it say about God the Father? What does it say about Jesus? What does it say about the Holy Spirit? What does this passage say about me?)
- **5 Min – Apply** (How do I apply this to my life?)
- **5 Min – Pray** (Pray through the passage, pray for needs in your family, pray for those who you know who don't know Jesus)
