

# COMMUNITY GROUP GUIDE

*“Becoming more like Jesus together through regular gatherings,  
shared devotion, and sacrificial love.”*

---

## 1 Samuel 26 | Week 13

### INTRO

- How old were you when you got your first cell phone, and what kind was it?

### READ AND DISCUSS (15 Min)

Read 1 Samuel 26 together as a group and discuss the following questions.

- **What does this passage teach us about God?** What does this passage teach me about who he is (his nature and character), what does this passage teach me about the way he interacts with his creation?
- **What does this passage teach us about man?** What does this passage teach us about the condition of man? Our sinful nature? Our need for a savior?
- **What do you feel led to do in response to this passage?** Is there something we need to do? Is there a sin I need to confess? A relationship I need to reconcile? A song to sing? With these questions we are asking people to consider how this passage informs the way they interact with God, with other people, and the world.

### APPLY

- Pastor Spence said that “circumstances are an opportunity to apply our faith, not decide our faith”. What do you think he meant by this?
- Pastor Spence talked about “heat”. Heat refers to hard moments in life where we feel pressure, stress, Anger, even anxiety over decisions or circumstances. How are you trusting God with the heat in your life?

- Pastor Spence said“...There is an easy way that looks godly...in times of hardship” and we are tempted to choose this way to justify doing what we want”. How can we guard against this when we are feeling the “Heat” of life?
- What did Pastor Spence mean by proof texting, and why is it so dangerous?
- Read Romans 12:17-21, what does this passage teach us about the way we should treat our enemies?

### Pray

- Pray for God’s guidance as we trust him with the future launch of our union county campus along with another church plant!
- Pray in groups for the “heat” in your life and pray for resolve to trust Him through it.
